

Supra Lock Box Instructions

Please make sure you follow the instructions below to successfully install the lock box.

The Supra Lock Box consists of three main parts.

Part 1: Lock box housing.

Part 2: Shackle – The part that secures the lock box to the door knob.

Part 3: Key tray – The part that holds the key.

There are three steps to installing the Supra Lock Box.

Step 1: Place key in key tray.

Step 2: Insert key tray into the bottom of lock box.

Step 3: Place lock box shackle around door knob or railing or hose bib.

IMPORTANT: If you close any part of the lock box prematurely you will not be able to use the lock box.
